Observers Thank you for your invaluable help in running our trials—we couldn't do it without you! As a thank you the Club will be holding a draw at the final round prior to the trial starting. The number of times you have observed will determine how many times your name will be put in the hat. e.g. If you have observed 4 times you will have 4 names in the hat. The name drawn out of the hat will have a cash award.

We hope the course plotters provided an enjoyable evening of sport for you competitors. Our next Open Trial is on July 7th at a Malham. Please note that entries are online only and are now open, but space is limited per the landowner's instructions. The sections will be marked to a Closed to Club standard, and the event is open to all competitors with an ACU license and ACU club membership.

NOTE: ENTRY TO THE MALHAM TRIAL IS THROUGH MALHAM VILLAGE ONLY.
Looking at tonight's score the majority of you will be OK competing at the Malham Trial. Get entered and come along for an enjoyable days trialing

The next Planit Opticians Summer Series of Trials is on 24/7/24 at Town End farm Ickorshaw Cowling.

We hope you had a safe journey home and look forward to seeing you at the next event!
