Observers Thank you for your invaluable help in running our trials—we couldn't do it without you! Just a reminder that the Club will be holding a draw at the final round prior to the trial starting. The number of times you have observed will determine how many times your name will be put in the hat. e.g. If you have observed 4 times you will have 4 names in the hat. The name drawn out of the hat will have a cash award.

We hope the course plotters have provided you all an enjoyable evening of sport for you. Our next Planit Opticians Summer Series of Trials is on August 14th at Thorlby Skipton. Please note that entries are online only and are now open. This will be the final round of the Planit Opticians Summer Series of Trials.

We hope you had a safe journey home and look forward to seeing you at the next event!
